

REMARKS

This Preliminary Amendment cancels claims 1-29 and 36-47. The subject matter of claims 30-35 was subjected to a restriction requirement in applicants' parent application, and is therefore being further pursued by way of this divisional application. Thus, no new matter is being introduced.

If there are any questions regarding this amendment or the application in general, a telephone call to the undersigned would be appreciated since this should expedite the prosecution of the application for all concerned.

If necessary to effect a timely response, this paper should be considered as a petition for an Extension of Time sufficient to effect a timely response, and please charge any deficiency in fees or credit any overpayments to Deposit Account No. 05-1712 (Docket #2001B127B/2).

Respectfully Submitted,
